But when he saw how strong the wind was he became frightened; and, beginning to sink, he cried out, "Lord, save me!" Immediately Jesus stretched out his hand and caught Peter, and said to him, "O you of little faith, why did you doubt?" - Mt 14:30-31

19TH SUNDAY IN ORDINARY TIME

"During the fourth watch of the night, he came toward them walking on the sea." The disciples weren't prepared to see Jesus walking on water. They had already witnessed plenty of miracles at the hands of their teacher; only hours earlier he had been curing the sick, and had multiplied five loaves of bread and two fish into enough food to feed thousands. But this miracle was different. This one wasn't to heal anyone or provide for anyone. This miracle seemed more like a manifestation: a clear revelation of Jesus' divine power. But the disciples were slow to get the message. First, they thought they saw a ghost. Then, Peter tried to step out in faith, but he fell when the wind picked up. It wasn't until the storm ended and the disciples were safe that they made their profession of faith, "Truly, you are the Son of God."

Healings, miracles, and manifestations of divinity weren't quite enough to make these men believe. The disciples' faith seems to have been dependent upon the personal experience of being saved. To this point, the mighty signs and works of Christ had been done on behalf of others. They were wondrous to behold, but apparently not enough to elicit a full declaration of faith in Jesus. But when these frightened men had their fears relieved, then they were ready to believe.

This is what Jesus wants to do for every one of us. He became man to save us. He died on the cross to take away our fears, to forgive our sins, and to give us eternal life. These aren't just stories about someone else's life. This is the story of our life. Like Peter, Jesus says to us, "Come." May we respond with confidence, putting our trust in the One who has the power to calm the storms in our lives too.

Thinking about Separation or Divorce? You Can Help Your Marriage – Do you feel alone? Are you frustrated or angry with each other? Do you argue ... or have you just stopped talking to each other? Does talking about it only make it worse?

Retrouvaille (pronounced retro-vi with a long i) is sponsored by the Family Life Office/Diocese of Metuchen, to help couples through difficult times in their marriages. It helps spouses uncover or re-awaken the love, trust and commitment that originally brought them together. The program is highly successful in saving hurting marriages, even bringing reconciliation to couples who have already separated or divorced.

THE ASSUMPTION OF THE BLESSED VIRGIN MARY

This feast is a very old solemnity in the church. It has been celebrated throughout the church from the sixth century on. Originally celebrated in the East, the ancient title is the Dormition of Mary, or the Falling Asleep of Mary. The earliest writing we find of this feast is from the fourth century and it is written in the voice of St. John, whom Jesus entrusted Mary to the care of as he hung upon the cross.

The teaching is that Mary was assumed into heaven after her "falling asleep in the Lord" before her body suffered any decay. This doctrine of the church--even though the church has been celebrating this belief for centuries--was not declared a dogma until November 1, 1950 by Pope Pius XII. While the Eastern Orthodox call this event the "dormition," the Roman Catholic Church calls it the Assumption.

Roman Catholicism is silent on the details of the Assumption. Therefore, Roman Catholics legitimately can believe that Mary did not die before the Assumption. The holy day has always been celebrated in the church on August 15.

*"For the gifts and the call of God are irrevocable." -
Romans 11:29*

God has a special mission in mind for each of us. He has given us the gifts we need to accomplish that mission. We are called to be good stewards by using those gifts to do the work that He has planned for each of us. If we deny our gifts or fail to use them as God calls us to use them, then some part of His work will be left undone.

SUMMER SAFETY TIPS

Here are some safety tips from the Children's Hospital and Medical Center that will help keep your child's summer a safe one:

1. Keep children away from areas where any lawn mowers are being used. Never allow children to ride on lawn mowers.
2. Minimize the risk of bee and insect stings by having children wear shoes and light-colored clothing. Use insect repellent sparingly on older children and never on infants.
3. Know the plants in your yard and teach your child not to pick or eat anything without first checking with an adult.
4. Keep children from playing near barbecues and bonfires and always have water present when fire is involved. Only adults should use lighter fluid.

This is not medical advice. Always consult your doctor first.
